December 2006 to May 2009, **Executive Nurse/Director of Clinical Re-design and Service Improvement**: NHS Cambridgeshire

Reporting to the Chief Executive, in addition to fulfilling the Executive Nurse role on the Board, responsible for service re-design and development of system wide

commissioning for mental health services, services for children and young people and community services.

Achievements in this post include:

- Led two highly sensitive public consultations around the future use of community hospitals, resulting in successful engagement with local stakeholders and communities and significant change in the models of care delivered including a step-change in the use of assistive care technologies
- Developed a framework for enhanced joint commissioning of health and social care for older people, in partnership with the Director for Adult Social Care, resulting in achievement of break-even position of a joint one hundred and fifty million pound integrated budget, refreshed and enhanced joint governance arrangements and made significant progress towards the social care 'personalisation' agenda
- Developed significant service improvements in conjunction with colleagues in social care, acute and primary care settings for patients identified as 'delayed transfers of care', improved patient experience for people with chronic respiratory disease and in re-enablement/intermediate care services for older people
- Led several projects across health and social care and across acute and primary care settings using formal project management approaches including pro-active use of risk logs, options appraisals involving service users in the process, chairing multi-stakeholder steering committees and producing regular monitoring reports
- Developed successful partnership approach to Practice Based Commissioning, supporting and enabling GP colleagues to make better use of existing resources and bringing about quality improvements in services for frail older people

*2001-2006, **Director of Nursing and Clinical Services:** Billericay, Brentwood and Wickford Primary Care Trust*

Reporting to, and regularly deputising for, the Chief Executive, responsible for a twenty eight million pound budget and for nearly 400 staff. Executive member of the PCT Trust Board and the Professional Executive Committee.

Achievements in this post include:

- Developed required structures and processes within a new organisation for ensuring patient safety, complaints, claims, risk management and Board Assurance.
- Achieved a 'break even' position for five consecutive years of a circa twenty eight million pound budget and secured resources for service development from a number of sources in a financially challenged environment
- Established a new operations directorate across 3 merged PCG areas, including the following services: 2 community hospitals, district nursing and intermediate care services, health visiting services
- Developed a successful workforce development programme for senior clinical leaders and achieved, in partnership with the Head of HR, successful award of the Improving Working Lives initiative

January 2001-April 2001, **Acting Executive Director of Primary Care:** Barking, Havering and Brentwood Community NHS Trust

Reporting to the Chief Executive, a three-month secondment to manage the Primary Care division. Accountable for a thirty nine million pound budget, for 1800 staff and the overall performance and risk management of the division.

1998-2001. **Primary Care and Specialist Service Development Manager:** Barking, Havering and Brentwood Community NHS Trust

1995–1998. **Macmillan Clinical Services Manager,** Lifespan Healthcare Community NHS Trust, Cambridge. Operational responsibility for 17 bedded in-patient unit, volunteer co-ordinator, out-patient services including lymphoedema service, counselling service and Community Macmillan team

1993–1995 **Clinical Nurse Specialist: Lymphoedema,** Lifespan Healthcare Community NHS Trust.

1987-1993 **District Nursing Sister: Team Leader,** Northumberland Health Authority.

1981-84 & 1985 -1986. **District Nursing Sister,** Newcastle upon Tyne Health Authority.

1974-1975. **Staff Nurse,** Bethlem Royal and Maudsley Hospitals.
